AANA Journal

Volume 47
1979 Index of Subjects and Authors

A

Abstracts, 78, 210, 337, 452, 585, 704

Acciavati, E. Joseph: see Insurance Report

Addict, anesthesia for, 309

Ahlborn, Lois A.: *State Associations and Legislation*, 412

Airway, the questionable, 67

Alcoholic, anesthesia for, 309

Althouse, Janessa L.: see Insurance Report

American Academy of Pediatrics Committee on Drugs in collaboration with the American College of Obstetricians and Gynecologists Committee on Obstetrics: Maternal and Fetal Medicine, 133

American Association of Nurse Anesthetists: AANA's 46th annual meeting . . . , 269; future manpower needs for the nurse anesthesia profession, 653; journal readers respond to survey, 385; officers, 4, 132, 268, 384, 512, 638

American Nurses Association Committee for the Study of Credentialing in Nursing, 159

American Thoracic Society, statement on intermittent positive-pressure breathing (abstract), 585

Analgesia, for labor and delivery, 537

Anderson, Diane Weber: *Pediatric Anesthesia in the Education of the SRNA*, 63

Anectine®, prolongation of effect by Innovar®, 576

Anesthesia, considerations of morbid obesity, 556; for the alcoholic and addict, 309; for the asthmatic patient, 407; for complicated obstetrics, 300; for labor and delivery, 537; for patient with epidermolysis bullosa, 327; for pediatric burns (abstract), 337; intravenous regional (abstract), 452; pediatric in the education of the SRNA, 63

Anesthesia charting, legal aspects of, 47

Anesthesia department, equipment logging system, 685; organization and operation of, 194

Annual meeting, 269

Asken, Michael J.: *Medical Psychology Curriculum Objectives for a School of Anesthesia*, 425

Asthmatic patient, anesthesia for, 407

B

Book Reviews: AACN Organization and Management of Critical Care Facilities, 587; Issues in Nursing Research, 209; Management of the Patient-Ventilator System: A Team Approach, 209; Outpatient Anesthesia, 77; Pediatric Respiratory Therapy, 501; Problems in Hospital Law, 373; Regional Blocks for Nurse Anesthetists, 77; Women in Stress: A Nursing Perspective, 77; Facts and Comparisons, 661

Burns, anesthetic management in pediatrics (abstract), 337

C

Calendar of Events, 100, 240, 359, 473, 603, 742

Cardiac disease, preoperative assessment of (abstract), 454

Cardiac dysfunction in the perioperative period; Pathophysiology, diagnosis and treatment (abstract), 706

Cardiovascular effects, droperidol during enflurane and enflurane-nitrous oxide anaesthesia in man (abstract), 80

Case Reports, 67, 327, 442, 576

Catchpole, Mattilou: *Electrolyte Dosages*, 198

Chloroprocaine-bupivacaine mixture, comparison with chloroprocaine and bupivacaine used individually for obstetric epidural analgesia (abstract), 704

Christensen, Mark G.: *Pediatric Anesthesia in the Education of the SRNA*, 63

Clark, Heather: *A Review of Total Parenteral Nutrition*, 323

Classified Advertising, 99, 239, 358, 471, 602, 741

Conduction anesthesia, intravenous regional anesthesia (abstract), 452; peripheral nerve block for surgery of the foot, 566

Congressional leaders in health care, listing of, 207

Convulsions, emergency control of, 182

Council on Accreditation Member Listing, 710

Council on Accreditation of Recognized Educational Programs, 109, 250, 367, 484, 633, 713

Council on Certification Member Listing, 710

Council on Certification of Nurse Anesthetists, 25

Council on Nurse Anesthesia Practice, 5, 194, 663

Council on Nurse Anesthesia Practice Member Listing, 712

Council on Re-Certification, 291

Council on Re-Certification Member Listing, 711

D

Death, definition of, 674

DeWood, M.A.: *Clinical Use of Inotropic Agents*, 679

Doddato, Theresa: *The Organization and Operation of an Anesthesia Department*, 194

Drain, Cecil B.: *Anesthetic Considerations of Morbid Obesity*, 556

Droperidol, cardiovascular effects of during enflurane and enflurane-nitrous oxide anaesthesia in man (abstract), 80

E

Eaton-Lambert syndrome, anesthetic management of, 442

Editorial, 5, 133, 269, 385, 533, 653

Education, implications of the report of the study of credentialing in nursing to nurse anesthesia, 159; medical psychology curriculum, 425; pediatric anesthesia for the SRNA, 63

Electrolyte dosages, 198

Embolism, pulmonary fat, 40

Epidermolysis bullosa, anesthetic management of, 327

F

Fetus, effect of drugs on, 133

Fleming, Patricia R.: *The National Qualifying Examination for Certification of Nurse Anesthetists: A Report Covering Six Examinations—November, 1975-June, 1978*, 25

Foot, peripheral nerve block for surgery, 566

G

General and Subscription Information, 4, 132, 268, 384, 512, 638
